# CAPABILITY STATEMENT

## OVERVIEW

TaterChat LLC, a disabled veteran owned small business, specializes in human skills growth through self-awareness opportunities catering to government and corporate employees. Our unique approach empowers individuals and teams to achieve greater productivity, collaboration, and leadership effectiveness.

### Mission

Empower professionals with our human skill workshops, emphasizing team building and self-awareness to prepare individuals to reach their full potential using tested adult learning model over a six-year period.

### Vision

Build a culture where leadership fuels personal growth, builds trust, truly cares for people, and help them achieve their greatest potential.

### Values
